

## *Media Advisory*

### **FOR IMMEDIATE USE**

#### **HONEYWELL HONORS FIRE PROTECTION SERVICE CORP AS NOTIFIER'S ENGINEERED SYSTEMS DISTRIBUTOR (ESD) OF THE YEAR**

NOTIFIER by Honeywell recently honored [Fire Protection Service Corp.](#), based in Ogden, Utah, as the 2017 NOTIFIER Engineered Systems Distributor (ESD) of the Year. The award, the highest recognition available to NOTIFIER ESDs, was presented at the 31<sup>st</sup> Annual NOTIFIER Leadership Conference held in Phoenix-Scottsdale, Ariz. in October.

The award is presented to the NOTIFIER distributor that has exemplified the behaviors for success including active promotion of the brand, demonstrating year over year growth, supporting activities in the region and embracing new NOTIFIER technologies.

Fire Protection Service Corp. was recognized for their strong end user relationship which have produced consistent, double digit year over year growth dating back to the beginning of the partnership established in 1952. Additionally, the company remains actively engaged by leading NOTIFIER specifications in its market and utilizing the Customer Experience Center in Northford, Conn.

The NOTIFIER Engineered Systems Distributor (ESD) of the Year Award highlights one of the 400 dedicated dealers who demonstrate pride as a representative of NOTIFIER throughout their business and trading area.
