Value Calculator

Completing this form will provide an estimate of potential savings you can achieve using the SWIFT Wireless System over a competitive wired system. Your actual project savings and costs may vary.

Assumptions

Avg. Installed Junction Box Cost *Note: Enter your cost for installing a junction box*	
Install Time Per Device (min.) *Note: Estimate the avg. time in min. to install a device*	
Labor Rate ($/Hr) *Note: Enter the rate you pay for labor in $ per hour*	

———— Assumptions apply to both systems. ————

Wired System

Devices	Quantity	Avg. Price
Detectors		
Modules		
Bases		
Total System Cost		

Junction Box Cost
Note: Total the cost to install junction boxes for the system

Total Cost	

Labor Cost to Install
Note: # of devices X install time per device X Labor Rate

Total Cost	

Specialty Charges
Note: Additional charges such as drilling concrete, surface mount conduit, trenching, asbestos removal, etc.

Total Cost	

Total Installed Cost
Note: Compares total costs for each system

Total Cost	

SWIFT System

Devices	Quantity	Avg. Price
Detectors		
Modules		
Bases		
Gateway		
Total System Cost		

Junction Box Cost
Note: Total the cost to install junction boxes for the system

Total Cost	

Labor Cost to Install
Note: # of devices X install time per device X Labor Rate

Total Cost	

Specialty Charges
