Great River Medical Center in West Burlington, Iowa, one of the most technologically sophisticated hospitals in the country, protects its patients and employees with a NOTI•FIRE•NET network from NOTIFIER. Installed by Midwest Alarm Services, a NOTIFIER distributor, the network consists of six fire alarm control panels, an Intelligent Network Annunciator, and a Network Control Station with graphical user interface. The network provides the staff at this expansive facility with a single location for monitoring activity at each panel.
For over 50 years, NOTIFIER has been in a leadership position in the fire alarm industry. Today, we are the largest manufacturer of engineered fire alarm systems with over 400 distributors worldwide, and regional support operations on every continent helping to ensure we provide the flexibility and options your business needs.
